

Church growing through miracles

Today we have more than 177 worship-places where more than 35.000 believers gather together week by week. But we have our own church buildings in just 60 villages, where a regular church program can be held. Our dear Lord is

giving a great reply to His children's prayer. Many miracles and healings are taking place. People get healed from cancer, diabetes, tuberculosis, typhus, fever, HIV, snake or scorpion bites and others. Those who are possessed by evil spirits receive delivery and even several persons raised up from death. Seeing these miracles with their own eyes, many people get in touch with the supernatural power of the blood of Jesus and accepted Him as their personal saviour.

All the other villages are still waiting to receive their own church building to increase an effective church program. Today they still worship just under the shadow of a large tree or a tent. Here we would

like to help and build as well once more a simple functional church building for just an amount of £ 2.500.-.

If you want to join our church planting program don't hesitate to contact us.

Gypsy Bible Training School

In 1988 the first batch of our Gypsy Bible Training School (GBTS) started. Since then we train every year about 30 to 40 students in the word of God. With devotion, an eagerness for knowledge, they study and learn how to preach the gospel.

As the gypsies speak the same language all over India, they can easily move to every union state and start without further language study to proclaim the good news in the cities and remote villages.

With an amount of only £ 35.- to £ 50.- monthly you can support one of these brothers as a local missionary in India, so he can cover all his and his family's expenses.

To move more quickly from village to village they need bicycles, so they can work more efficiently. A bicycle costs about £ 35.- each. For Area Leaders we need motorcycles, which costs about £ 500.- We trust our Lord to provide for all the needs of His servants in the harvest field.

Revival among Gypsies in India

Pastor Clement Le Cossec from France, the Apostle to the Gypsies came to India in 1966 and sowed the first seed among the Indian Gypsies. In 1976 he was joined by Pastor Gerhard Heinzmann, the pioneer among Gypsies in Germany and Eastern Europe and together they established the first children homes and orphanages for poor and needy children. In 1984 they appointed Rev. Solomon Venkatal and a board of local brothers to develop the IGWF ministry all over India.

Today there are more than 35.000 baptised believers gathering in over 177 worship-places. About 400 full-time pastors and evangelists are preaching the gospel in more than 10 union states and 72 districts all over the subcontinent of India.
